

O'Brien Car Care, Inc.

From our family to yours,

We consider all of you an important part of our O'Brien Car Care family, and we want you to know that we are mindful of the ways in which the Coronavirus (COVID-19) impacts all of us.

While we understand that servicing or maybe purchasing a vehicle may not be your first thought, we want you to know that we are here to meet your needs and that we are doing all we can to ensure that our two locations are prepared for your visit.

For your protection and that of our employees, we have taken the following actions:

- We have increased the frequency of regularly scheduled cleanings and sanitization efforts across our dealerships and facilities, including sanitizing all high touch points; door handles, chairs, desks, phones, and vehicles by wiping them down with disinfectant multiple times a day.
- We have instructed our employees to practice good hygiene (frequent hand washing, social distancing, and eliminating nonessential travel). In addition, we have instructed our employees to stay home if they do not feel well and to report any exposure to a suspected case of COVID-19.
- Similarly, we ask that our vendors and customers postpone their visits if they do not feel well or believe that they may have been exposed to a suspected case of COVID-19.

We want to remind you that you can access us on our website at: www.obriencarcare.com and contact us via email at: obriencarcare@comcast.net

Also, during this challenging time we can arrange to pick-up and drop-off your vehicle for service. Please reach out to us and give us the opportunity to serve you.

We hope that you and your loved ones are in good health, and remain safe.

Sincerely,

William O'Brien
